INDEX: VOLUME 88

Acarina (Acari), 151, 267

Acheta domesticus, 246

Acinopterus, 249

Actinoptera carignaniensis, 148

Agarwal, M.L., 262

Allonarcys comstocki, 33

Anisotoma fenderi, 137

Anthomyiidae, 52

Applin, J.S., Tarter, D.C., 213
Caddisflies in genus *Rhyacophila* in West Virginia

Araneida (Araneae), 41, 87, 207

Archilestes grandis, 215

Ashley, D.L., 69, 104

Atherigona varia soccata, 52

Atta colombica tonsipes, 85

Back, D.W., 221

Balsbaugh, E.U. Jr., 43
Primary type specimens in So. Dakota State Univ. insect collection

Barron, J.R., 177

Bethylidae, 57

Blomia gracilipes, 267

Boesel, M.W., 145
Method for converting dry mounts of midges into slide mounts

Bombyliidae, 121

Book reviews, 158, 159, 160, 196, 216

Bruchidae, 265

Buthidae, 111

Calos, M., 111

Carlson, R.B., 217, 218

Celidophylla albimacula, 210

Centruroides sp., 111

Cephalobyrrhinus sp., 29

Cerambycidae, 39

Cercopidae, 10

Chironomidae, 192

Chromosomes of two No. Amer. Tettigonioidea, 99

Cicadellidae, 37, 249

Clark, W.E., 199
New synonymy & combinations, lectotype & type-species designations in neotropical Tylodina

Clausen, P.J., 127
Females of two nearctic species of *Parydra* described

Coleoptera, 29, 39, 61, 137, 185, 199, 228, 265

Collembola, 133, 229

Corydalidae, 69

Counts, C.L., III, 55, 98

Crypturgus aleutaceus, 61

Culicidae, 1

Curculionidae, 199

Cutler, B., Jennings, D.T., Moody, M.J., 87
Biology & habitats of lynx spider *Oxyopes scalaris*

Cyphoderidae, 229

Dactylochelifer copiosus, 98

Daktulosphaira vitifoliae, 77

DeLong, D.M., 249

DeLong, D.M., 37
New subspecies *Elevanosa* & new sp. of *Gypona*

Diptera, 1, 52, 121, 127, 145, 148, 153, 192, 262

Dissecting needles, methods of making, 143

Dryinidae, 221

Dryopoidea, 185

Ectoparasites of Brazilian mammals, 255

Engleman, H.D., 263
Descrip. of male *Parvamina bicolor*

Enicocephalidae, 105, 161

Ephemeroptera, 202

Ephydridae, 127

Eremocoris borealis; E. ferus, 169

Ero aphana, 41

Evans, H.E., 57
Further studies on No. Amer. *Pristocera*

INDEX (Continued)

Evenhuis, H.L., 121
New No. Amer. Bombyliidae with notes on some described species

Fain, A., Hyland, K., Tadkowski, T., 267
Redescription & status of *Blomia gracilipes*

Faulkner, G.M., Tarter, D.C., 202
Mayflies of West Virginia, with emphasis on nymphal stage

Ferreira, A., 99

Fish, D., 10
Aquatic spittle bug from a *Heliconia* flower bract in so. Costa Rica

Formicidae, 85

Francke, O.F., 45
Redescription of *Vaejovis glabosus*

French, J.V., 39

Freytag, P.H., Bach, D.W., 221
Redescription, synonymy & hosts of *Gonatopus bicolor*

Galbreath, R.A. & N.H., 143
Simple method for making fine dissecting needles

Gerdes, C., 271
Thysanoptera types in collection of Illinois Nat'l. Hist. Survey

Gerridae, 67

Glycyphagidae, 267

Glypta sp., 177

Gonatopus bicolor, 221

Grewal, J.S., 148, 262

Gryllacrididae, 53

Gryllidae, 246

Gypona vertara, 37

Harris, S.C., Carlson, R.B.
New Trichoptera records in No. Dakota, 217
New Heteroceridae records, No. Dakota, 218

Heliconia sp., 10

Hemiptera, 67, 105, 161, 169, 192, 263

Heteroceridae, 218

Homoptera, 10, 37, 77, 140, 249

Hyland, K., 267

Hymenoptera, 57, 85, 177, 193, 221

Ichneumonidae, 177

Insect World Digest contest, 54

Insects assoc. with flowering bloodroot at Fanshawe Lake, Ontario, 13

Internat'l. Commiss. Zool. Nomenclature Announcements, 56, 212, 270

Jennings, D.T., 87

Jubb, G.L. Jr., 77
Estimating grape phylloxera gall numbers on single grape leaves

Judd, W.W.,
Insects assoc. with flowering bloodroot at Fanshawe Lk., Ontario, 13

Spiders from milkweed *Asclepias syriaca* at Dunnville, Ontario, 207

Kapoor, V.C., 151

Kapoor, V.C., Grewal, J.S., 148
New sp. of *Actinoptera* with distrib. records of fruit flies in India

Kapoor, V.C., Grewal, J.S., Agarwal, M.L., 262
Three new fruit flies from India

Kempiola shankari, 197, 259

Kennedy, J.H., 215
Occurrence of *Archilestes grandis* in Virginia

Kritsky, G.
Observations on morphology & behavior of Enicocephalidae, 105

Two new genera of Enicocephalidae, 161

Kittle, P.D., 67
Notes on distrib. & morphology of water strider *Metrobates alacris*

Leiodidae, 137

Lepidoptera, 81, 177

Lesshafft, J.S. Jr., 133
Prelim. list of Collembola of Kentucky

Lestidae, 215

Leuctridae, 235

Limnichidae, 29

Linnavuori, R.E., DeLong, D.M., 249
Genus *Acinopterus* in Mexico and neotropical region

INDEX (Continued)

Little, M.L., 33, 69, 104

Lord, W.D., 193
Occurrence of pestiferous *Vespula* spp. in no. Delaware

Lygaeidae, 169

MacGown, M.W., Nebeker, T.E., 61
Observations on *Crypturgus aleutaceus*, an associate of so. pine beetle

Manley, G.V., French, J.V., 39
A *Neoclytus* new to U.S.

Mari Mutt, J.A., 229
New species of melittaphilous *Pseudocyphoderus* from Costa Rica

McCafferty, W.P., 23

Megaloptera, 69, 104

Mesa, A., Ferreira, A., 99
Chromosomes of two sp. of No. Amer. tettigoniids

Metrobates alacris, 67

Mimetidae, 41

Mites, from India, 151

Moody, M.J., 87

Moore, I., 228
Northern range extensions of two seashore beetles

Mosquito larvae, proventricular flanges in, 1

Mumford, R.E., 255

Naucoridae, 192

Nebeker, T.E., 61

Neck, R.W., 139
Predation of hackberry psyllid galls by fox squirrel

Neduba extincta, 241

Nelson, C.H., 235
Position of *"Leuctra" divisa* in family Leuctridae

Nelson, C.H., Tarter, D.C., Little, M.L., 33
Description of adult male *Allonarcys comstocki*

Neoclytus augusti, 39

Notices, 54, 56, 219

Odonata, 23, 215

Olethreutidae, 177

Orthoptera, 53, 99, 197, 210, 241, 246, 259

Oxyopes scalaris, 87

Paraleuctra, 235

Parasites of Lepidoptera larvae, 81

Parvamina bicolor, 263

Parydra sp., 127

Pentatomidae, 263

Perlidae, 18

Phalangopsidae, 197, 259

Phylloxeridae, 77

Plecoptera, 18, 33, 235

Pristocera sp., 57

Prothero, B.L., 53
New record of *Tropidishia xanthostoma*

Provonsha, A.V., McCafferty, W.P., 23
Odonata from Hot Brook, So. Dakota with notes on distrib. patterns

Pseudocyphoderus melittiphilous, 229

Pseudoscorpionida (Chelonethida), 55, 98

Psyllidae, 140

Pteronarcidae, 33

Ptiolina edeta, 153

Raffa, K.F., 81
Some parasites of Lepidoptera larvae recently collected in Delaware

Regensburg, J.T., 141
Modified sweep net for quantitative sampling

Reisen, W.K., 185
Ecol. of Honey Ck., Okla. Downstream drift of three dryopoid beetles

Rentz, D.C.F., 246

Rentz, D.C.F., 241
New & apparently extinct katydid from Antioch sand dunes

Rhagionidae, 153

Rhyacophilidae, 213

INDEX (Continued)

Richards, A.G., Seilheimer, S.H., 1
Proventricular flanges in mosquito larvae

Roback, S.S., 192
First record Chironomid larva living phoretically on aquatic hemipteran

Sandhu, P.S., Kapoor, V.C., 151
New records of trombiculid & sarcoptid mites & their hosts from India

Scolytidae, 61

Scorpionida, 45, 111

Seilheimer, S.H., 1

Shivpuje, P.R., 52
Record of natural parasites of sorghum shootfly *Atherigona varia soccata*

Shukla, G.S., Pandy, S.K., 265
Sexual dimorphism in *Callasobruchus chinensis*

Sialis concava, 104

Sinha, K.M.
Maxillary palpal muscles of cave cricket *Kempiola shankari, 197*

Sexual dimorphism in cave cricket *Kempiola shankari*, 259

Slide mounts of midges, 145

Stahnke, H.L., Calos, M., 111
Key to sp. of genus *Centruroides*

Staphylinidae, 228

Steele, B.D., Tarter, D.C., 18
Distrib. of family Perlidae in West Virginia

Stryker, S.L., 98

Sweeney, M.P., 98

Sweeney, M.P., Taylor, R.W., Counts, C.L., III, 55
Non-cavernicolous pseudoscorpions from West Virginia

Sweeney, S.J., Stryker, S.L., Sweeney, M.P., Taylor, R.W., Counts, C.L., III, 98
New records of non-cavernicolous pseudoscorpions in West Virginia

Sweep net for quantitative sampling, 141

Sweet, M.H., 169
Elevation of seedbug *Eremocoris borealis* from synonymy with *E. ferus*

Tadkowski, T., 267

Tarter, D.C., 18, 33, 202, 213

Tarter, D.C., Watkins, W.D., Little, M.L., Ashley, D.L., 69
Seasonal emergence patterns of fish-flies east of Rocky Mts.
New state record of *Sialis concava* from Cranberry Glades, West Virginia

Taylor, R.W., 55, 98

Tephritidae, 148, 262

Tettigoniidae, -oidea, 99, 210, 241

Thysanoptera, 271

Trichoptera, 213, 217

Tropidishia xanthostoma, 53

Type specimens in So. Dakota St. Univ. insect collection, 43

Unzicker, J.D., 41
Mimetidae of St. Helena Is.

Vaejoris glabosus, 45

Vespula spp., 193

Walley, G.S., Barron, J.R., 177
Nearctic *Glypta* parasites of conifer feeding Olethreutidae

Watkins, W.D., 69, 104

Webb, D.W., 153
Redescription & new synonymy for *Ptiolina edeta*

Weber, N.A., 85
Recurrence of *Atta* colonies at a Canal Zone site

Weissman, D.B., Rentz, D.C.F., 246
Feral house crickets in so. Calif.

Wheeler, Q.D., 137
Placement of *Anisotoma fenderi*

Whitaker, J.O., Jr., Mumford, R.E., 255
Records of ectoparasites from Brazilian mammals

Wooldridge, D.P., 29
New world Limnichinae II: *Cephalobyrrhinus*

Young, A.M., 210
New record of neotropical katydid *Celidophylla albimacula* & parasitism from Costa Rica
